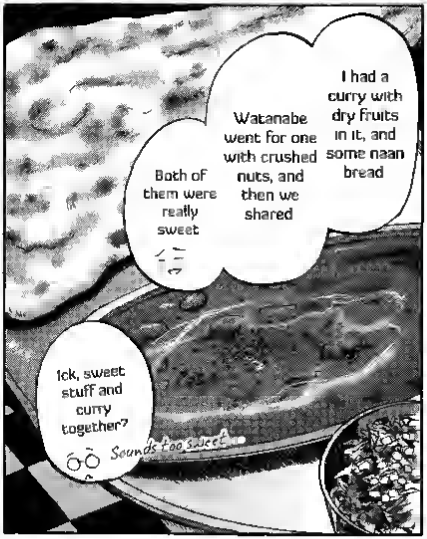
There's a new place that opened up near the office.
I ate Indian curry with Watanabe
So what did you eat?

I'm home!

Welcome back.

I see..
But then I had a craving for orthodox curry so we got an extra order of regular curry and cheese naan halfway through
It actually does go together well



I had a curry with dry fruits in it, and some naan bread
Watanabe went for one with crushed nuts, and then we shared
Both of them were really sweet
Ick, sweet stuff and curry together?
Sounds too sweet

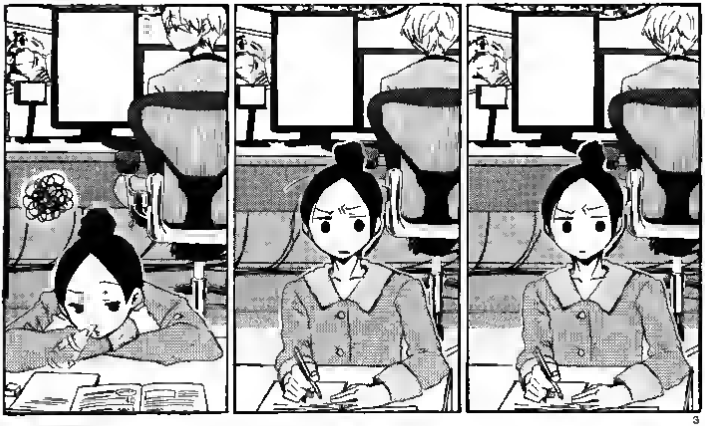
Bonnouji Chapter 26

第26話

こんな所で現実を直視してはいけません。

Whe-
e-ew
Glad to see you relax



Oof.
I'm exhausted today
Mmh...
Steep?

T/N * In japan, they have pillows for couples that say "YES ♥" on one side and "NO" on the other

I only realized their purpose when I was in high school...
...when I saw these on TV.
I got so embarrassed, you know...
welcome!
Yeah.
What I mean is,
they certainly help a couple with bedroom communication, right?
You know, something to say right out if you're interested or not.

I don't blame you
So back then I didn't like these
You got that right.
there's a pretty blunt innuendo coming right at you, right?
Wow in the bright light of day

I see, I see
At least, that's my opinion
I'm really practical and I think these are pretty ingenious
But now that I'm older,

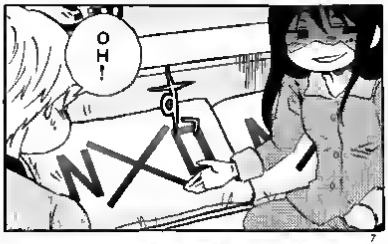
This single item, depending on its use,
could come across as pretty vulgar
But this makes me realize just how much my feelings change
as I get older.
Yeah
YES

But yeah, in the end, it's just a pretty lame product.
Yeah
Ahaha
YES
YES
YES

煩悩寺

I see...
So my stomach looks all lumpy right now.
I ate too much...
Sorry

Right.
Hm?
So
Which side is it today?



OH!

Hey... You there...
Yes?
Because it feels super nice.
Why are you rubbing my tummy?
Hmmm?
Starting tomorrow... I'm on a diet.
Eh?
